

# RESIDENT UPDATE: MCGRAW, SILVER SAGE

## Relocation and Complex Upgrades

This complex was built nearly 30 years ago and it's time for a refresh! The modernization for each unit includes brand new kitchens and bathrooms with new cabinetry, flooring, appliances, countertops, lighting, and more. Layouts will remain familiar, but residents can also expect a new gazebo and common area, including benches and a grilling area.

Additionally, the community room will receive new plumbing and finishes.

Construction will start this autumn and is set to be done in three phases. Residents can expect to be moved off site for about four months and most will be able to return to their current units.

No one's rent will change while they are in the temporary apartment.

### Who's Here to Help?

RHA is working with Housing To Home (HTH), a nationally-recognized leader in public housing relocation. While you're always welcome to ask questions of the RHA team, the Housing to Home specialists will have the best and most up-to-date information on moving dates and locations. They're your go-to people.

Staff from HTH will be onsite at McGraw Manor Monday through Friday from 10 a.m. to 4 p.m. in the community building. While they will have appointments throughout the day, you're also welcome to walk in and catch them between client meetings. You may also email. Contact information will be provided on notices you'll soon receive from RHA. Staff is bilingual in English and Spanish, but if you are a person with limited English proficiency, contact our office to receive assistance in your preferred language. If you are a person who requires special accommodation in order to have equal access to any RHA program, please contact our main office.

HTH will help develop and provide each resident comparable housing for the temporary move. If you have preferences for a temporary apartment close to family or friends, or close your workplace, or even if you desire to move outside of Washoe County, discuss it with HTH. Express your personal housing needs to HTH so they can help find the best fit for your temporary relocation.

All moving supplies and moving assistance are provided through HTH.
